CASE STUDY

Amanda Lui

Soft Furnishings for Upholstery

“I had been interested in crafts and making things for a long time but up until doing this course, I have just tried things out on my own. I have really enjoyed the course and learned such a lot. A very friendly and welcoming environment.

The tutor is amazing, friendly and knowledgeable. She enabled us to complete projects at our own pace, with her support. I learned how to accurately measure fabric for soft furnishings, cut paper patterns, add zips and piping to create beautifully finished items. I now have the skills and confidence to tackle more challenging projects.”
