Workshops

These workshops are for those learners who want the opportunity to progress their work further for employment or exhibition within the creative industries sector. The aim is for you to increase opportunities to raise your profile either through producing work for exhibition or competition or by direct employment, as self-employed entrepreneurs producing work for sale. If you wish to enrol on a workshop class, you must have completed at least 20 hours on one of our intermediate or improvers' courses, within the last three years or hold an equivalent level of knowledge and skills.

CASE STUDY

Simon Hawksworth

Screen-Printing
on Paper and Fabric

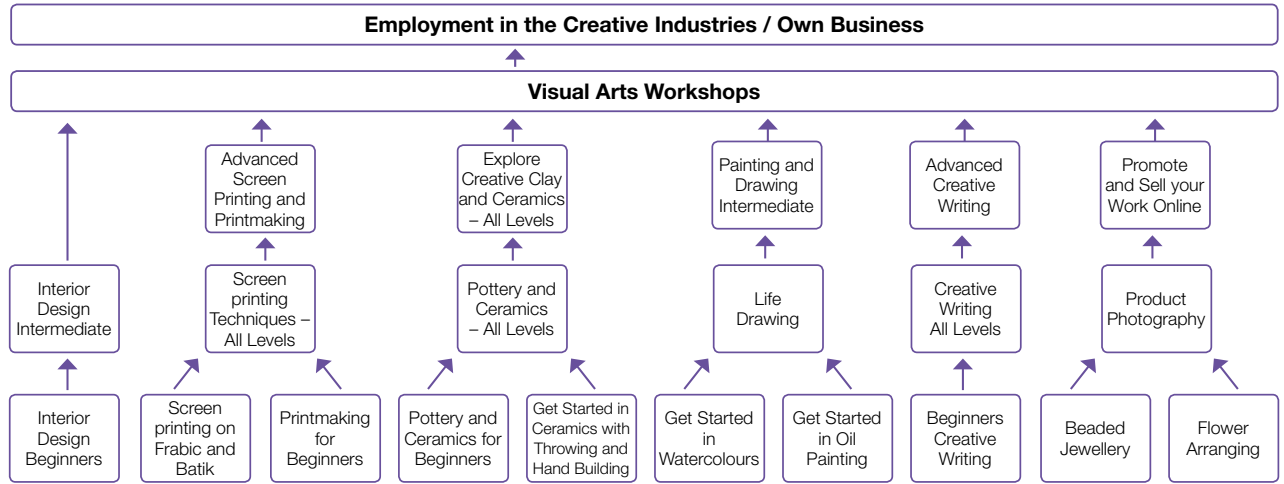

The courses I have attended at the Shadwell Centre have been absolutely brilliant! I have learnt many printmaking skills but specifically screen-printing.

The learning atmosphere here is very supportive and I feel as a student I have been given the room to develop my ideas with the help of fantastic teaching and really top notch facilities. Doing the screen-printing course at the Shadwell Centre has given me the confidence to apply to study Art at University, but I'd quite happily just come here every day instead! I'd recommend the course for all the reasons above; excellent teaching; excellent facilities, a supportive and inclusive learning environment and great interaction with fellow printmaking students.

I have enjoyed the whole experience and feel I am much more confident both in techniques and combining ideas in screen printing.
