

Course Description and Outline

Course Title	Web Development		
Level of Course	Beginners	Course Code	A0087
Duration in Weeks	5		
Brief Description of Course	This course builds on the project created in <i>Web Development Introductory Workshop</i> . In this course we will be looking at the concept of the API (Application Programming Interface). We will create a simple application that will allow us to communicate with other web sites.		
Entry Requirements	You will have completed the <i>Web Development Introductory Workshop</i> or have previous experience in front end development.		
Main Learning Outcomes for all Learners (Maximum of 5) By the end of the course you will be able to:			
1	Explain what an API is, and provide examples		
2	Craft a simple API		
3	Create a simple web page using HTML, CSS and JS		
4	Use the web page to query the API and return results.		
5			
Equipment Required What will I need to bring to class?	You will need to bring your enrolment slip, a notebook, pen and memory stick.		
What courses can I go on to?	The Idea Store Learning course guide gives details of all our ICT courses and your tutor can offer advice on your next step.		

What examination or assessment will there be and what will it involve?

At the start of the course you will complete an Initial Assessment which will provide a starting point for your learning. The Tutor will continuously assess your work and keep a record of your progress.

How will I know I am making progress?

You will receive regular feedback on practical tasks which will highlight your strengths and areas for development. You will have an individual learning plan to monitor your own progress, and you may also want to keep your own diary of your progress.

You will gain more from the course if you commit time to practising outside the classroom.

Is there anything else I need to know?

In general, we will not allow late entry to any course. In all cases the full fee will be charged

You can discuss issues with your Tutor or the Assistant Programme Manager at any time during the course.

What if I want extra support?

Come and see one of our experienced and friendly advisors. For further information, email ideastore@towerhamlets.gov.uk and a member of the team will get back to you.

This is a brief description of the course content and is not definitive or exhaustive. The course content may be subject to change without notice however the details above are intended to give a picture of the types of activities which may be included on the course.

Course outlines provide a general summary of the contents and material to be covered during lessons. They are subject to change at the discretion of teachers to meet the needs of learners and should not be regarded as prescriptive lists of activities to be covered.
