What examination or assessment will there be and what will it involve?

There is no formal assessment but you will be asked to monitor your own progress during the course. For example, this includes you monitoring your own health and fitness via a simple questionnaire.

(Please note on all examination courses, it is a requirement that you provide photographic proof of ID. This is for external awarding body and internal invigilation authentication purposes.)

How will I know I am making progress?

The tutor will provide verbal feedback throughout the course.

Students are encouraged to monitor their progress and achievement using an Individual Learning Plan (ILP).

You will also gain more from the course if you commit time to it outside the classroom.

Is there anything else I need to know?

In general, we will not allow late enrolment to any course after the first two weeks. Learners are expected to arrive on time and attend every class.

Children are not allowed in our health & fitness courses unless they are specifically family learning classes. Please do not ask your tutor to give your child access as they do not have the authority to do this.

Health and Safety requirements demand that all learners participating in health classes must be present for instructions on safe working practices. Therefore, latecomers who miss the first part of the session will be refused entry.

Students are encouraged to comment on the course. The tutor will distribute at least one student satisfaction survey where your views will feed back into the planning, teaching and learning of future courses.

What if I want extra support?

Come and see one of our experienced and friendly advisors. For further information, email ideastore@towerhamlets.gov.uk and a member of the team will get back to you.
