

## Course Description and Outline

<b>Course Title</b>	Street Photography in the East End - Beginners		
<b>Level of Course</b>	Beginners	<b>Course Code</b>	C3663
<b>Duration in Weeks</b>	5		
<b>Brief Description of Course What will the course cover?</b>	The Street Photography in the East End course will get you out onto the streets of London's East End making images. You will learn about Zone focusing, Hyperfocal distance, Composition and develop an understanding of the history of street photography. Though the course you will gain confidence with your camera and learn how to photograph in public spaces.		
<b>Entry Requirements</b>	None, however it would be beneficial if you will have already completed the Get to Know your Digital SLR Camera Course and/or the Basic Digital Photography course. You will need your own camera, ideally with the ability to set manual exposure mode.		
<b>Main Learning Outcomes for all Learners (Maximum of 5) By the end of the course you will be able to:</b>			
<b>1</b>	Explore the diverse images made by some of the masters of street photography, thereby developing your ability to 'see' a good photograph.		
<b>2</b>	Develop masking techniques for photographers enabling you to make images with confidence in public spaces		
<b>3</b>	Improve your camera confidence enabling you to work more quickly to get the photograph you want.		
<b>4</b>	Calculate how to Zone focus your images, using your camera in manual focus mode.		
<b>5</b>	Develop your confidence in using your camera in public spaces and issues related to the ethical and/or legal concerns of photographing on the street.		
<b>Equipment Required What will I need to bring to class?</b>	Camera: preferably a DSLR, or rangefinder type, Pen and note Paper, Access to a computer to be able to download and process your image files so you can submit them to your tutor for peer review would be an advantage. You will need to bring your camera to every lesson.		
<b>What courses can I go on to?</b>	You could attend other photography courses at Idea Store Learning including the: Basic Digital Photography, Intermediate Digital Photography, Portrait Photography, Develop Wedding Photography Skills, Studio Photographic Practice and Develop a Photography Project courses.		

### **What examination or assessment will there be and what will it involve?**

There will be an initial assessment followed by on-going assessment of progress and achievement. This course will also include:

Showing of photographs to fellow students and discussing the images using appropriate photographic terminology.

You will be creating images in your own time outside the class time that will be evaluated in class through critiques and discussion allowing you to learn from your own images how to develop your photographic skills.

Observation of working methods on the street while making images in public spaces, with peer learning of photographic processes.

Please note on all examination courses, it is a requirement that you provide photographic proof of ID. This is for external awarding body and internal invigilation authentication purposes.

### **How will I know I am making progress?**

Your tutor will give you on-going feedback tracking and monitoring your progress, giving feedback though out the course. You and the tutor will use an individual learning plan to monitor your progress allowing you and the tutor to track your knowledge and skills developed on the course. You will also gain more from the course if you commit time to it outside the classroom.

### **Is there anything else I need to know?**

Punctuality in attendance on courses is important to us, as students who arrive late interrupt the learning experience for all learners.

In general, we will not allow late entry to any course after the first two weeks. Short intensive courses and most workshops will not accept new learners after the first class. In all cases the full fee will be charged.

### **What if I want extra support? Contact the Learner Support and Advice Team**
