I am really enjoying the course, amazing teachers and people- I'm more confident in taking photographs using the camera's manual mode.

“I’m a beginner photographer and I had only purchased my first DSLR camera shortly before the course. This course is very well taught.

“I have learned to use manual mode and have learned how to set up a studio photo-shoot. I’ve had a lot of fun and improved my photography skills. The teachers are excellent and extremely helpful and organised. If you like photography, you will love this course!”
