Adult Learners' Week 2015

Love to learn with Idea Stores...

2 June - 26 July 2015

Adult Learners' Week is a national celebration of lifelong learning; it celebrates adult learners' achievements and inspires some adults to take their first steps into learning. This year the ALW theme is **#lovetolearn** and it will be running from 13-19 June 2015.

We will be sharing learners' stories throughout the Idea Stores to inspire adults to get involved in learning. There will also be a special Award Ceremony to celebrate Idea Stores' Adult Learners' Week Nominees for 2015.

This is a great time to find out about the range of courses just waiting to be discovered in the **NEW Idea Store Learning Course Guide**, due out in late June 2015.

Idea Store Learning offers hundreds of courses throughout the year, ranging from art, business, cookery, dance, DIY, fitness, health, ICT, languages, music and much more. To find out more about Idea Store Learning courses, drop into an Idea Store, visit www.ideastore.co.uk or call the enrolment line 020 7364 5665.
