Painting and Drawing

Creative Arts for Everyone will develop your personal style and allow you to explore materials and techniques. Try your hand at drawing, painting, collage making, lino printing and much more. And there's plenty of chance to discuss ideas with other learners. Get Started with Art and Design is a great way to explore materials and techniques and explore ideas with other learners, while Get Started in Painting and Drawing allows you to develop and experiment with your personal style and expression on canvas or paper as well as learn the basics. Or choose between life drawing, still life painting in oils or water colours if you'd like to concentrate on one medium.

Ceramics and Mosaics

Travel the ceramic universe in our ceramic, mosaic and pottery sessions. In pottery classes, you can progress from throwing pots, pinch potting and coiling to gaining a better understanding of making and finishing techniques and even try your hand at sculpture. If glazing and finishing takes your fancy, why not enrol on our ceramic design workshop?

In Mosaic Making, you will start by learning to cut with handheld tools, to space pieces correctly and to cement and grout and continue to refine those techniques and develop these skills and your creative techniques.
