Learn Car Maintenance for Yourself

Ever wondered what's under your car bonnet, and more importantly, how you can fix it when it goes wrong? In these sessions, you can find out how to recognise them and what they do. By the end of the course, you'll be able to find faults and do minor repairs – and save yourself money at the garage. And if you're looking to pass your driving test, we can teach you all you need to know for the theory section.
