English for Speakers of Other Languages

English for Speakers of Other Languages (ESOL)

We specialise in delivering ESOL classes at a wide range of locations all across the borough in locations that suit you the learner. Beginners and more advanced courses are available; however there is a very high demand for our classes and so it is important to enrol early. The classes are free to those who meet the residency criteria.

When you apply we take great care to guide you onto the right programme through an in depth interview with a specialist member of staff. Class sizes are carefully managed to make sure you get the right amount of support and attention from your teacher. You will be in a group of people who are at the same level as you and when your class ends we will tell you what you can do next. You will get the chance to get a qualification if that is what you want.

Progression Route

ESOL

Due to high demand for ESOL courses, we cannot guarantee a place for every learner.

We conduct assessments to find the most suitable level of ESOL for each learner.

To register your interest in ESOL courses, please visit your local Idea Store or contact our enrolment hotline number 0207 364 5665, email ideastorelearning@towerhamlets.gov.uk or text LEAP (with your full name) to 88020.

We will be in contact once spaces arise to invite you to an assessment session.

Early bird offer!
10% off standard fee when you enrol on 2 or more classes before Sunday 11 December
