

## COURSE OUTLINE Master Copy

Title	Code(s)	
	Level	All
Get Started in Driving Test Theory with Basic Car Maintenance		

### What will the course cover?

- This course will cover all the theoretical knowledge required by learner drivers so that you can pass the theory part of the driving test.
- One session of the course will be a hands-on practical session on a car to prepare you for the Show Me Tell Me questions on the practical driving test.
- Apart from the outside session the course is classroom-based and the tutor will explain all the aspects of the Theory Test and what you have to learn. It is intended that you have fun while you learn. Some use will be made of computers, interactive media, DVDs and videos.

### What knowledge and skills will I gain from the course?

- When you sit the theory driving test it consists of 35 multiple choice questions and a hazard perception test and this course, taught by a professional driving instructor, this course will give you the knowledge, practice, explanations and tips, maximising your chances of passing first.

### Do I need any previous knowledge or skills?

- No

### Will I need to buy anything for the course?

- In order to make the most of the course you should buy a copy of the Highway Code and some of the materials offered for sale by the Driving Standards Agency. You are advised to look up the DSA website [www.dsa.gov.uk](http://www.dsa.gov.uk)

### What materials will I need to bring for my first lesson and during the course?

- As above, and bring a notebook and a pen.

**Apart from the enrolment fee, is there anything else I will have to pay for?**

- No, everything is included.

**If there is an examination or assessment, what will it involve?**

- The tutor will hold some fun quizzes, practice theory papers and computer interactive games to check that you understand the theory teaching but there is no formal exam as such. The tutor will give you feedback about your progress.

**Will I need to practice at home?**

- In order to reinforce your learning we encourage you to study at home.
- Your tutor will make suggestions and support your study at home.

**How will I know I am making progress?**

- You will be asked to complete a self-assessment of your knowledge at the start of the course and at the end.
- The tutor will check that you understand and are happy with what you are learning.

**When I have finished the course, how can I progress further?**

- Your Tutor will advise about study with e.g. the Institute of Advanced Motorists.
- You may wish to join our Car Maintenance courses in order to know how to keep your car in safe condition.
- You may already have booked a test or you may book your test during or after participating in this course.

**How can I give my opinions about the course?**

- The tutor will give out a survey form to get a written record of your comments and ideas but the tutor will really value your feedback, comments and questions during the course.
- You will be asked to complete an assessment of the course on your Individual Learning Plan form and on the survey form.
- You can also give your tutor views at any time.
- Your comments are very welcome and will be used to note good practice or the need for improvement.
