

# My Treasure Map

What great places would you like to tell other people about? Make a treasure map for an explorer to discover your world! Here's mine....

1. My sister's house – this is in Penge, all the way in South London. We always have so much fun together!
2. Ridgeway Park – my favourite park, it's got a pond, swings, and even a miniature train track.
3. My house! I've lived here since I was 4 years old and I love my room, almost everything in it is green because that's my favourite colour.
4. Idea Store Whitechapel – this is where I work and I love it but sometimes it's SO busy!
5. The Gherkin – I can see this from the café at work and it's one of my favourite buildings, I really like the design.
6. London Eye – I've been on this twice and you can see all the way down the river Thames and really far across London!
7. Covent Garden – this is my favourite place to go shopping, I buy lots of clothes when I go here.
8. Bookshop in Chingford – I used to work here so I like going in to see my friends and get all the latest gossip!
